

Global Source Inspection Services

A Better World Through Partnership

As one of Singapore's largest providers of testing, inspection, and certification solutions, Setsco is your partner in progress.

Why Setsco?

With over 40 years of extensive experience, we have been trusted by the biggest names in the international markets

We're your partner in making better happen. We listen, understand, and work closely on requirements, forge relationships that endure, and keep performance standards high—improving the game for everyone.

We know what your business needs

A close collaboration with you, combined with our deep industry expertise in TIC, creative thinking and agile team, enables us to quickly pivot and adapt to find solutions to precisely meet your needs, regardless of the challenge.

What you can expect

- An in-house team of technical experts
- Up-to-date testing facilities, methodologies and industry knowledge
- A dedicated team to oversee each step in the TIC process, from advisory to activation
- Credibility with a long history and track record of clients in various industries

Commitment to Innovation & Sustainability

As industries evolve, Setsco remains committed

To technological advancement by investing in cutting-edge laboratories, research and digital solutions.

Setsco also supports Singapore's and regional sustainability initiatives, ensuring that businesses adhere to environmental, social and governance (ESG) principals. By providing eco-friendly testing solutions and green certification services, Setsco contributes to Singapore's and regional efforts to reduce carbon emissions and promote sustainable development.

Setsco's reputation as a trusted authority

SETSCO credibility is reinforced by its extensive Singapore Accreditation Council (SAC) certifications, positioning it as a leader in quality assurance and compliance. The company holds accreditations for :

- ISO/IEC 17020 - Inspection Bodies
- ISO/IEC 17025 - Testing & Calibration Laboratories
- ISO/IEC 17065 - Product Certification Bodies
- ISO/IEC 17021 - Management Systems Certification
