

FOOD HYGIENE COURSE LEVEL 1 (Refresher)

WSQ Food Hygiene Course equips food handlers with essential knowledge and skills to ensure food safety and hygiene, meeting regulatory standards and promoting public health.

Course Description

Delivering wholesome, tasty, and safe food is your goal—but the realities of running a food service or manufacturing operation can be complex and fast-paced.

Equip your team with the essential knowledge they need to maintain the highest standards of food safety and hygiene at every stage. This course goes beyond basics—empowering food handlers to prevent risks, uphold quality, and operate with confidence.

Mandatory under Singapore legislation, this certification is not just a requirement—it's a critical step towards protecting your business, your customers, and your reputation.
