SETSCO

WHY CHOOSE SETSCO?

MORE THAN INSPECTION. A PARTNER YOU CAN TRUST.

INDEPENDENT & OBJECTIVE

Unbiased inspection and verification, delivering confidence to all project stakeholders.

EXPERIENCED & QUALIFIED TEAM

Highly experienced and certified inspectors and engineers, with strong industry knowledge and practical field experience.

ACCREDITED & RECOGNISED

SAC-accredited inspection body and accredited laboratory, with recognised certifications.

MULTI-DISCIPLINARY CAPABILITY

One-stop partner for ITA, QA/QC, API, testing, calibration, certification, consultancy and training services.

PROVEN TRACK RECORD

With over 50 years of inspection experience, we deliver reliable, impartial inspection services across the energy, infrastructure, marine, aerospace, industrial and manufacturing sectors, supporting local and international clients worldwide.

SOLUTION-FOCUSED APPROACH

We work closely with our clients to understand project needs and provide practical, timely and cost-effective solutions without compromising quality and compliance.
